

Bayview

SWIFT APPROVALS FOR PRESTIGE PROJECTS

Bayview : The Cove on Pittwater

marchese+popov's design for a 40 dwelling seniors housing (Sepp 5) development has been approved by Pittwater Council in just eight months without going before council. The Cove on Pittwater was approved on Christmas eve, on the site of the former She-Oak Estate in Bayview. The Cove is now home to a marchese+popov designed scheme comprising 10 north facing two storey pavilions stepping up the hill with magnificent views over Pittwater. Contact Steven Isaacs for further details 0403 577 141.

North Curl Curl

North Curl Curl Residences

The Smiths Tennis Centre at Pitt Road North Curl Curl is to be redeveloped into five prestige residences. Following detailed consultations with Warringah Council, IHAP and local residents, marchese+partners achieved DA approval for the five lot subdivision and individual designed prestige residences in December last year. Boasting water views to the headlands and Curl Curl Beach, the five pavilion style dwellings arranged around individual courtyards provide luxurious 4-bedroom accommodation, with high quality inclusions throughout. The houses are spacious and their contemporary design promotes a benchmark in residential living, exhibiting a high architectural standard as well as meeting typical family needs for the area. Contact Andrew Kovac for further details 0413 938 788.

WE HAVE MOVED

m+p have a new home

Christmas was a busy time for the marchese+partners team this year, it was time to move as we had outgrown our old office space. The team are settling in to the new space just down the road at 107 Mount Street, but have yet to christen the new "green" bar. Look out for our opening party, coming soon!

AWARD WINNING SANDCASTLES

Sponsored by The Hayson Group, our team of sand carvers are proud of their creative achievements at the "Castles in the Sand" day. The annual event was held at Palm Beach, Sydney on January 15th in aid of Cure Cancer Australia Foundation. The guys created an arctic scape of igloos, icebergs and overweight dwarf penguins that were perfect for the "By the Sea" theme. The team won third prize in the corporate team event, quite impressive for a first time attempt. A great day was had by all. Best of all, the day's events raised \$300,000 for cancer research.

OUR VISION:

TO BECOME THE WORLD'S BEST MULTI-UNIT RESIDENTIAL ARCHITECTS & INTERIOR DESIGNERS PROVIDING SERVICES TO LEADING DEVELOPERS ANYWHERE IN THE WORLD.
